Optional Accessories:

Flashlight PBU-500

When the KL-500 is used with our PBU-500 power bank, you have a multi-branding opportunity wrapped around a handy and powerful flashlight.

Reading Lamp KL-500G

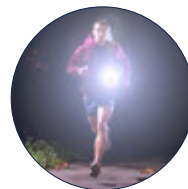

With our optional flexible USB Gooseneck attachment, you can turn the KL-500 in to a versatile reading lamp. Attach to a notebook for lighting a keyboard or to any power bank to create a portable lamp.

Safety/Utility Light

Shine light directly on hard to reach places

Be seen when walking or biking in the dark

Use it as a night-light when traveling by plugging it into a USB wall charger (not included)
